Dear Camp Sweet Life Family & Friends:

There is no greater encouragement and comfort than Camp Family at a time like this. You have been in our hearts and our thoughts as we have made decisions regarding summer camp for August 2021.

After reviewing recommendations from local and state authorities with our Board of Directors, Medical Directors, and Camp Committee, we have made the difficult decision that Camp Sweet Life must suspend in-person, week-long Camp for August 2021.

At Camp Sweet Life, we take the health and safety of our campers, volunteers, and staff very seriously. We have been actively monitoring the situations surrounding COVID-19, vaccinations, and actively monitoring and evaluating how this challenging situation would affect Camp Sweet Life this summer.

The following areas of concern helped to guide our decision-making:

- There are challenges in recruiting and maintaining medical professionals who are desperately needed to care for patients in hospitals and clinics.
- A week-long Camp is not a suitable environment to maintain social distancing protocols and recommendations.

We know that this is disappointing news for our Camp Sweet Life families and community and trust that you understand that our highest priority when making this decision was the well-being of campers, families, staff and volunteers.

Our team continues to work hard at brainstorming ways to stay connected and engaged with our campers and families. We know that everyone could use a dose of Camp Sweet Life to turn the world around, now more than ever, so we are asking for your help. On behalf of all of us here at Camp Sweet Life, we wish you good health during this time and we look forward to seeing you all again at Camp in brighter, happier days ahead.

Sincerely - Camp Sweet Life Board of Directors, Staff and Camp Committee
