## Type 1 Diabetes

Strike Out Type 1 Diabetes is a bowling event to raise funds for Camp Sweet Life and to bring awareness to Type 1 Diabetes using online streaming event services. Strike Out T1D was founded in 2020 and had our first annual event in November of 2020 raising just over \$20,000 when all was said and done in the 3 hours of the event. The event was live streamed, and we brought in specialists in their professions from Tandem, Dexcom, Medtronic, Trial Net and JDRF along with local Endocrinologists, campers and parents of campers to raise awareness of Type 1 Diabetes.

The second annual Strike Out T1D is set to go on November 14<sup>th</sup>, 2021, if you want to participate to help raise funds for Camp Sweet Life, awareness for Type 1 Diabetes and a chance at a free campership for the next camp year please contact Tim Emmers 507-399-3577 or Rene Maes 507-995-6910 to get signed up.

The 2021 format will be the same as it was for 2020:

- Camper or family will get a business to sponsor them (\$150.00 sponsor fee)
- Camper or family will then be assigned a bowler from the Mankato area or their local area if they wish to bowl for them during the event. \*\*if they want to bowl for themselves, they can do so as well\*\*
- Camper or family will then go out and get pledges for every strike that they or their bowler throw during the event. Pledges range from \$.10 to \$10.00 or more, with the ability to donate a maximum, minimum or just a flat amount towards the event.
  - o Bowling is structured as follows
    - Bowler will bowl for 1 hour throwing only strikes (1<sup>st</sup> frame balls) across 3 lanes.
    - 4 – 15 min sessions with 5-minute breaks in between.
  - o Once bowling is completed all strikes for that bowler will be tallied and reported to Rene Maes. Rene will then contact that bowler's camper or family to let them know how many strikes their bowler threw so they can call and collect funds from their pledges.
- How do you earn a FREE campership to the next camp year?
  - o 25% of your campership paid for when you raise \$600.00 (20 pledges at \$.25 a strike)
  - o 50% of your campership paid for when you raise \$1,200.00 (40 pledges at \$.25 a strike)
  - o 100% of your campership paid for when you raise \$1,800.00 (60 pledges at \$.25 a strike)
