Camp Sweet Life is a non-profit 501(c)(3) organization that provides children with Type 1 Diabetes a mix of fun recreational and educational opportunities complete with campfires, s'mores, songs, and lasting friendships! At Camp Sweet Life, your child will enjoy a wonderful camp experience, just like any other kid!

Our goal is to provide a safe environment so that kids with diabetes can have an outdoor, summer camp experience, just like any other child. Not only do they get to have a wonderful recreational experience, campers also learn about their disease by receiving informal education in diabetes self-management under the supervision of camp nurses and through counselors who model responsible diabetes management. Throughout camp, we also provide formal and informal education regarding diabetes self-management. We also serve the needs of parents and family members who need support and opportunities to meet other families. We hope that Camp Sweet Life provides a good foundation so that kids with Type 1 can successfully develop emotionally, socially, and physically in spite of their disease
